Comment allez vous Monseigneur, j'espère que ma lettre vous trouvera en bonne santé.

Je regrette ce long silence de ma part, mais croyez moi je ne trouvais pas du temps libre même pour moi.

Vous savez que j'ai fait un voyage au Canada et puis un autre en Australie invité par Mgr George Ricciotti Archevêque Catholique de Sydney, Pendant un mois, on célébrait chaque jour une messe dans une église et il y avait de l'heure à chaque fois. J'ai fait Sydney - Melbourne - Queens - Land - New south wales - Victoria --- et d'autre. C'était fatigant mais ça a très très bien passé grâce à la St Vierge et tout a été filmé en vidéo. Il y avait avec moi Rabi Boulos Fadel qui m'a accompagné et il a écrit un journal de tout les jours, on va le traduire et je vais vous l'envoyer.

On prépare pour le 26 de ce mois, c'est l'anniversaire de Soufiane je sais que cette date vous est cher pour vous personnellement alors vous fêterais les deux occasions ensemble même si vous êtes loin de nous. Et de notre part on ne vous oublie pas vous seriez toujours présent dans nos prières et dans notre cœur. Merci beaucoup pour la photo avec le Pape, c'est grâce à vous que Soufiane a été connue au Vatican, je n'y pensais rien, c'est la St Vierge qui va vous récompenser.

Nicola et toute ma famille et le groupe de prière se joigne à moi pour vous présenter nos sincères salutations

Dear Gabriel,

I thank you for your message dated February 17, 1997
please forgive my delay for replying so late.

Since my return to Italy in 1993 I have foremost
in my mind the devotion to Our Lady of Soufanieh whom
I learned to love in Damascus. After some weeks while
in the south of Italy I had a ceremony in one of the big
Churches - Saint Blaise, in Galatina (Otranto) and the
Parish Priest invited me to enthronize and bless a large
picture of Our Lady of Soufanieh which is daily visited
by many devotees. I continue to distribute at all the
liturgical ceremonies which I celebrate the picture which
I had printed and used for my 25th anniversary of Episcopal
ordination and Apostolic Nuncio.

My greatest desire is to open a Center for Christian
Unity in Rome dedicated to Our Lady of Christian Unity
but my main difficulty is financial, I have the right people
to collaborate and we are looking for a place and God willing
we will overcome the obstacles.

There is a possibility that I may travel to the USA soon
and would like to visit you in Canada please advise me by Fax
if this would be convenient for you.

May God bless you! *Very cordially*

Dear Gabriel,

Its incredible - Christmas is upon us and I still have not replied to your Fax of July 2nd and 24th. I am very sorry for my long silence due to various circumstances. At the same time with joy I want to inform you of some initiatives involving our beloved Lady of Soufanieh on the occasion of my 80th birthday. I enclose a copy of the programme from which you can also note the "prayer" translated into Italian from your communication of February 17, 1997. This programme was distributed in 10.000 copies. At the conclusion of the three days of charismatic prayers together with the many friends present it was decided to initiate a Center: "Centro Ecumenico Internazionale Carismatico Sacro Cuore e Madonna di Soufanieh di preghiere e di Evangelizzazione". I will send you by mail the original text in a few days from the Vatican. During the three days of intense prayers daily more than two thousand people participated.

Now to reply to your questions:

- 1) I am sorry to tell you I have no access to Internet.
- 2) You can publish in the Internet the prayer card commemorating my 25th anniversary of Episcopal Consecration as Titular Archbishop of Treba for my mission as Apostolic Nuncio.
Also the photo with the Holy Father etc.
I will send my original letter by mail.
- 3) With pleasure I will send a letter "to the reader" and my blessing for the book of Mr. Cristian Ravaz.
- 4) Since winter is upon us I feel it is not the right time to visit Montreal so God Willing I look forward to meeting you, maybe you could indicate to me the best month. Thankyou for the invitation.

I avail of this opportunity to wish you and yours a very Happy Christmas filled with the Blessings of Our Saviour and under the maternal care of Our Lady of Soufanieh.

Cordially yours,

Luigi Accogli

Archbishop Luigi Accogli
Apostolic Nuncio.

Dear Gabriel,

Your kind message of January 15th reached me through Yolanda, a lady who learned to know about Soufanieh from the Internet and who was happy to meet me and learn of my connection with Damascus and Myrna.

At last I am sending you the original of my letters to date as promised together with the letter "To the reader" and the blessing for the book of Mr. Cristian Ravaz.

It has been my wish to invite Myrna to visit Rome and San Giovanni Rotondo. Since this year is dedicated to the Holy Spirit it would be ideal for her to come either in May or October, what do you think? Please extend my greetings to Mons. Sayde, Father Maolouli and Father Zahlaoui.

On January 28th I plan to return to Rome and it is possible that I come back here for Easter. So in the meantime I avail of this opportunity to renew my good wishes for a Happy and blessed 1998 and with the desire that this year God Willing to make a visit to Montreal.

Cordially in Our Lord,
